Forthcoming events

You will also have the opportunity to meet with us, discuss, ask your questions, and perhaps join us at our next UNION day, scheduled for Friday, 6 October 2017. Our next General Assembly will be held on 19 October with the participation of the field titular members. As usual, all Staff Union members are invited and encouraged to attend. Join us to share your priorities and concerns and to get even more information on our activities through our 2017 report.
