

**RESOLUTION**

**concerning taxes**

The Staff Union of ILO, convened at its Annual General Meeting of 7 October,

**NOTING** that the host country is levying more and more special taxes on officials who are not subject to income taxation,

**RECALLING** that salaries of staff members are already taxed through the system of staff assessment and that they cannot be imposed double taxation,

**DEPLORING** that national Professional staff are excluded from reimbursement for special school taxes and that General Service staff have received only partial reimbursement,

**INSTRUCTS** the Staff Union Committee to insist on the full reimbursement to all officials concerned of all special taxes imposed by the host country.
