

RESOLUTION

concerning careers

The Staff Union of the ILO, convened in its Annual General Meeting on 7 October 1986,

CONSIDERING the importance given to the subject in the Director-General's Circulars on career development in ILO

NOTING continued staff dissatisfaction with lack of real career prospects in the Office, and that the Joint Working Party on Career Policy has not met for several years

REGRETTING that a recent request for its revival was refused and that no formal mechanism exists to give meaningful expression to career development in the ILO

INSTRUCTS the Staff Union Committee to energetically pursue its action to reactivate the Joint Working Party on Career Policy and to ensure the meaningful application for all staff of career development in conformity with the Director-General's policy Circulars.
