

RESOLUTION

on the pensions of International Civil Servants

1. The Staff Union of the International Labour Office, fully endorses the appended resolution adopted by the 43rd FICSA Council.
2. Furthermore, it reiterates its request that the competent organs of the ILO adopt and implement a supplementary pension scheme which fulfils the wishes of the staff and allows for making good of common system deficiencies in that respect.
3. It reaffirms its commitment to social security principles incorporated in international labour standards, which it believes should be fully applied to international civil servants.
4. It instructs the Staff Union Committee to do what is needed in this regard with the Director General of the ILO, the Governing Body and the competent bodies of the common system.
